Long Beach Parks, Recreation and Marine

FROM THE MANAGER

By Elvira Hallinan
Interim Manager of Marinas and Beaches

Let me start by wishing all our dads Happy Father's Day from the Marine Bureau Staff.

Last month's evacuation of Basin 3 due to the palm tree fires in the Alamitos Bay area was a reminder of the importance of keeping the marina offices informed of any changes in your contact information.

As staff proceeded to contact boatowners, we found that 80% of the contact information was incorrect. Let me remind you that it is your responsibility to contact the offices with any changes in phone number, email address, mailing address, etc. It is imperative that we have up-to-date information, especially if you are a live-aboard.

While it may seem that the Alamitos Bay Marina rebuild project has been on a hiatus for the last couple months, this is not the case. Although the Bellingham Marine Industries construction yard

“ I'd like to thank
our Long Beach
Shoreline Marina
customers ”

is quiet, progress has continued throughout the months of April and May. Specific tasks include: submission and revision as requested by the City's plan check division of the plans for Basin 2 and 3; submission of dredging core samples to the regulatory agencies in order to obtain disposal permits; logistical planning to minimize parking lot impact on boatowners during the months of June through September; and scheduling of vessel inspections in preparation for reassignment during reconstruction of docks. Bellingham is scheduled to be on site in early June.

Finally, I'd like to thank our LB Shoreline Marina customers for their patience and support regarding the City's special events. The months of April and May are especially busy and these events could not succeed without your cooperation.

Marina staff is appreciative of your good humor and we understand that during these times it can become frustrating when all you want to do is get home or just enjoy your vessel with family and friends. Again, thank you.

Grand Opening Weekend: June 14-15th, 2014

Dick Simon Yachts is inviting all boaters to help celebrate its Grand Opening in Alamitos Bay, Long Beach. The addition of a second office extends reach for the company, which is the leading Brokerage Dealer in Dana Point.

All Boaters Welcome

An Open House will be held on Saturday and Sunday, from 10 a.m. to 6 p.m., on June 14-15, 2014. All marina residents and guests are welcome to join the fun. Come meet the team and enjoy boat tours of select new 2014 models. Dick Simon Yachts represents several new boat lines—including Marquis, Tiara, Cruisers, Carver and Four Winns—as well as pre-owned yachts, both power and sail.

“We are very excited to be here in Long Beach, which will allow us to better serve our clients in the Los Angeles area and beyond,” said company owner, Dick Simon, former IndyCar driver/team owner, and longtime boat and real estate broker in Southern California. “Give us the opportunity to earn your trust and business, and we will work hard for you.”

Bonus for New Customers

To boat buyers and sellers alike, Dick stresses that now is the time to get serious. “Over the decades I’ve witnessed many ups and downs in this market, and can tell you from experience that boat sales always trail real estate. If history repeats itself once again, the boating market is about to take off!”

Staying true to his racing roots, Dick is pulling out all the stops to get business moving. As an incentive for brokerage clients, he’s offering anyone who lists their boat with Dick Simon Yachts by July 15, 2014 a \$500 Visa gift card at sale closing.

For more information, call 562.430.3131 or visit dicksimonyachts.com.
